Calc management
- Suitable for tap water
- Calc clean solution: Double active calc clean

Technical specifications
- Weight of iron: 1.6 kg
- Voltage: 220 - 240 V

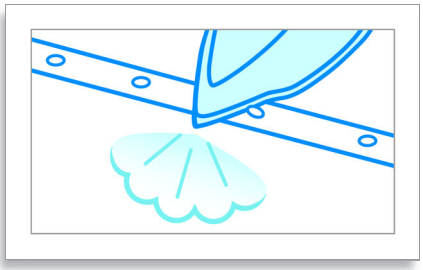
Highlights

Double Active Calc System

Double Active Calc system prevents scale build-up through anti scale pills and an easy to use calc clean function.

Soft grip
The soft handgrip allows for comfortable ironing even during longer sessions.

Steam tip



The unique steam tip combines the prominently pointed front of the soleplate with special elongated steam slots in the tip, to reach into the smallest and most difficult areas for the best ironing results.

Drip-stop system
Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Auto Energy Saving

Automatic Energy Saving. The innovative feature in the Philips steam iron makes sure you get 100% steam power to remove creases thoroughly. At the same time, it saves energy automatically, because it eliminates wasted steam.

Steam boost up to 140 g/min
Steam boost enables you to easily remove even the most stubborn creases.
